Super Bianca

Technical Sheet n° 1185
Rev. 21/01/2025

Hand washing paste with

Applications

Categoria:

- Hand washing

High cleaning power allows to quickly remove even the most stubborn dirt such as grease and engine oil, obtaining a perfect and deep hands cleaning. Hydrating and emollient substances combined with lavender compound leave the skin soft and scented, protecting it from chapping. It is produced exclusively with natural abrasives that disperse easily in water without clogging pipes.

Super Bianca is recommended for cleansing hands in processes in which oil, grease and pigments mix together and cling firmly to the skin, such as:

- Car repair shops
- Body shops
- Mechanical workshops
- Plumbing shops
- Craft workshops
- Hardware retailers, paint shops, etc.
- Industries in general

PLASTIC FREE
